

Candy Bar Sunday

Salem's Evangelism team hosted 'Candy Bar Sunday' on July 12th as another way to stir things up during coffee fellowship after Worship.

As folks entered the family room for coffee and treats, they had to blindly chose a candy bar from a box. Then, they had to sit at the table corresponding to their chosen candy bar. We had a table of "Almond Joys", 'Butterfingers", and so on. What a neat way to get to know one another.
